WHY UPLOAD TO OTHER SITES?

- If you tested at Ancestry, there is no chromosome browser there for you to see where you match others.
- Get more matches at three other major sites for free!
- Do more genealogy with more connections.

The screenshot displays the FamilyTreeDNA website interface. At the top, the FamilyTreeDNA logo is on the left, followed by a search bar with the placeholder text "Enter a name or place to begin searching" and a magnifying glass icon. To the right of the search bar, there is a purple promotional text: "(Optional upgrade for chromosome browser \$19)", a blue "Upgrade" button with an upward arrow icon, and a "My Cart" button with a shopping cart icon. Below the search bar, the navigation menu includes "myFTDNA", "DNA Tests" (which is highlighted in blue and has a dropdown arrow), "Projects", and "Resources". The "DNA Tests" dropdown menu is open, showing options: "All Tests", "Family Finder", "Y-DNA", "mtDNA", and "Autosomal Transfer". A large red arrow points to the "Autosomal Transfer" option. On the left side of the page, there is a "Welcome" section with a "Your Account" profile card for "Mckell Keeney" (Kit B). The card includes a profile picture, a "+ Enlarge Edit Image" link, and links for "Manage Personal Information" and "Change Password". Below the profile card is an "Order History" section. On the right side, there is a "Get Yours! mtDNA Haplogroup" banner. The main content area features a "Family Tree" section with a "myFamilyTree" link and a "NEW" badge. Below this is a "Family Finder" section with a question mark icon and the text "Results Completed: 8/22/2017". At the bottom of the main content area, there are four buttons: "Matches" (with a magnifying glass icon), "Chromosome Browser" (with a chromosome icon), "Linked Relationships" (with a family tree icon), "myOrigins" (with an orange circle icon), and "ancientOrigins" (with a blue circle icon).
